harassment, mistreatment, discrimination,	a professional, equitable, respectful, and civil environment that is
or coercion	psychologically safe and that is free from discrimination, sexual and other forms
AND Witnessed abuse, harassment,	of harassment, mistreatment, abuse, or coercion of students, residents, faculty, and staff. (Core)
mistreatment, discrimination, or coercion	and stain.
Patient Safety and Teamwork	
Information not lost during shift changes or	VI.E.3.b) Programs, in partnership with their Sponsoring Institutions, must
patient transfers or the hand-off process	ensure and monitor effective, structured hand-off processes to facilitate both
	continuity of care and patient safety. (Core)
	VI.E.3.c) Programs must ensure that residents are competent in communicating with team members in the hand-off process. (Outcome)

SURVEY REPORT DESCRIPTION	COMMON PROGRAM REQUIREMENT(S)
Effective teamwork in patient care	VI.E.2. Teamwork
	Residents must care for patients in an environment that maximizes
	communication and promotes safe, interprofessional, team-based care in the
	specialty and larger health system. (Core)
Interprofessional teamwork skills modelled	VI.E.2. Teamwork
or taught	Residents must care for patients in an environment that maximizes
	communication and promotes safe, interprofessional, team-based care in the
	specialty and larger health system. (Core)
Effectively emphasizes culture of patient	VI.B.3. The program director, in partnership with the Sponsoring Institution,
safety	must provide a culture of professionalism that supports patient safety and
	personal responsibility. (Core)
Residents/fellows participate in clinical	VI.A.1.a).(2).(b) Residents must participate as team members in real and/or
patient safety investigation and analysis of	simulated interprofessional clinical patient safety and quality improvement
adverse events	activities, such as root cause analyses or other activities that include analysis,
	as well as formulation and implementation of actions. (Core)
Know how to report patient safety events	VI.A.1.a).(2).(a).(i) [Residents, fellows, faculty members, and other clinical staff
	members must:] know their responsibilities in reporting patient safety events and
	unsafe conditions at the clinical site, including how to report such events; (Core)
Process to transition patient care and	VI.C.2. There are circumstances in which residents may be unable to attend
clinical duties when residents/fellows	work, including but not limited to fatigue, illness, family emergencies, and
fatigued	medical, parental, or caregiver leave. Each program must allow an appropriate
	length of absence for residents unable to perform their patient care
	responsibilities. (Core)
	VI.C.2.a) The program must have policies and procedures in place to ensure
	coverage of patient care and ensure continuity of patient care. (Core)
	VI.C.2.b) These policies must be implemented without fear of negative
	consequences for the resident who is or was unable to provide the clinical work.
	(Core)
Faculty Teaching and Supervision	
Sufficient time to supervise	II.B.1. There must be a sufficient number of faculty members with competence
residents/fellows	to instruct and supervise all residents. (Core)
	II.B.2.c) [Faculty members must:] demonstrate a strong interest in the education
	of residents, including devoting sufficient time to the educational program to
	fulfill their supervisory and teaching responsibilities; (Core)

SURVEY REPORT DESCRIPTION	COMMON PROGRAM REQUIREMENT(S)
Faculty members committed to educating	II.B.2.c) [Faculty members must:] demonstrate a strong interest in the education
residents/fellows	of residents, including devoting sufficient time to the educational program to
	fulfill their supervisory and teaching responsibilities; (Core)
Program director effectiveness in	II.A.1. There must be one faculty member appointed as program director with
administering and maintaining a learning	authority and accountability for the overall program, including compliance with
environment conducive to educating	all applicable program requirements. (Core)
residents/fellows	
	II.A.4.a).(3) [The program director must:] administer and maintain a learning
	environment conducive to educating the residents in each of the ACGME
	Competency domains; (Core)
Faculty members satisfied with process for	V.B. Faculty Evaluation
evaluation as educators	V.B.1. The program must have a process to evaluate each faculty member's
	performance as it relates to the educational program at least annually. (Core)
	V.B.1.a) This evaluation must include a review of the faculty member's clinical
	teaching abilities, engagement with the educational program, participation in
	faculty development related to their skills as an educator, clinical performance,
	professionalism, and scholarly activities. (Core)
	V.B.1.b) This evaluation must include written, anonymous, and confidential
	evaluations by the residents. (Core)
	V.B.2. Faculty members must receive feedback on their evaluations at least annually. (Core)
	V.B.3. Results of the faculty educational evaluations should be incorporated into
	program-wide faculty development plans. (Core)
Educational Content	program-wide faculty development plans.
Residents/fellows instructed in cost-	IV.B.1.f).(1).(e) [Residents must demonstrate competence in:] incorporating
effectiveness	considerations of value, equity, cost awareness, delivery and payment, and risk-
	benefit analysis in patient and/or population-based care as appropriate; (Core)
Residents/fellows prepared for	VI.A.2.d) The privilege of progressive authority and responsibility, conditional
unsupervised practice	independence, and a supervisory role in patient care delegated to each resident
' '	must be assigned by the program director and faculty members. (Core)
	IV.A.2. [The curriculum must contain the following educational components:]
	competency-based goals and objectives for each educational experience
	designed to promote progress on a trajectory to autonomous practice. These

SURVEY REPORT DESCRIPTION	COMMON PROGRAM REQUIREMENT(S)
	must be distributed, reviewed, and available to residents and faculty members; (Core)
	IV.A.3. [The curriculum must contain the following educational components:] delineation of resident responsibilities for patient care, progressive responsibility for patient management, and graded supervision; (Core)
Learning environment conducive to education	II.A.4.a).(3) [The program director must:] administer and maintain a learning environment conducive to educating the residents in each of the ACGME Competency domains; (Core)
	II.B.2.d) [Faculty members must:] administer and maintain an educational environment conducive to educating residents; (Core)
